

Client : _____
 Project name : _____
 Order # : _____
 Type : _____ Qty. : _____

FEATURES & BENEFITS

Physical :

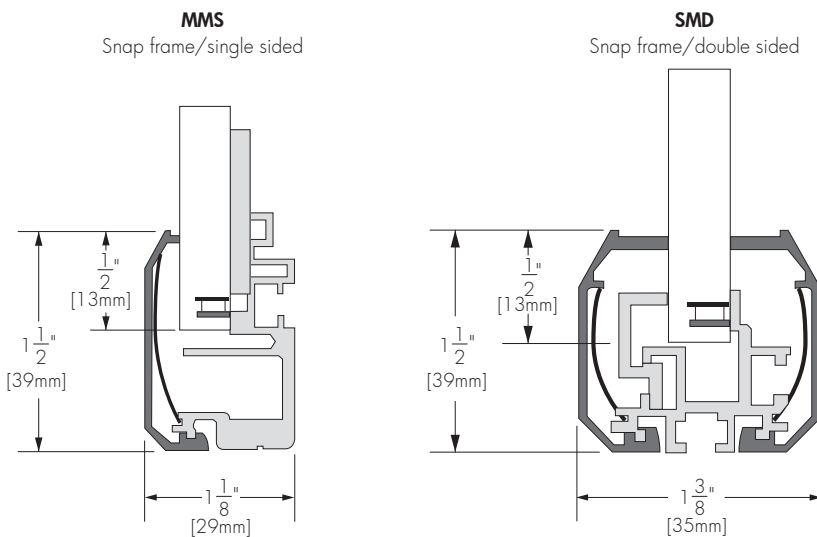

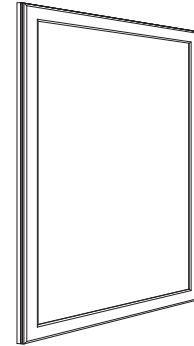

- Edgelit LED light panel
- Aluminum snap frame (available frameless on request only)
- High performance optic acrylic plate
- 1 1/8" thickness - single sided
- Single and double sided options available

Performance :

- Lumen maintenance L70 @ 25°C - 75,000 hrs (at full output)
- Operating temperatures: -40°C to 35°C

Electrical :

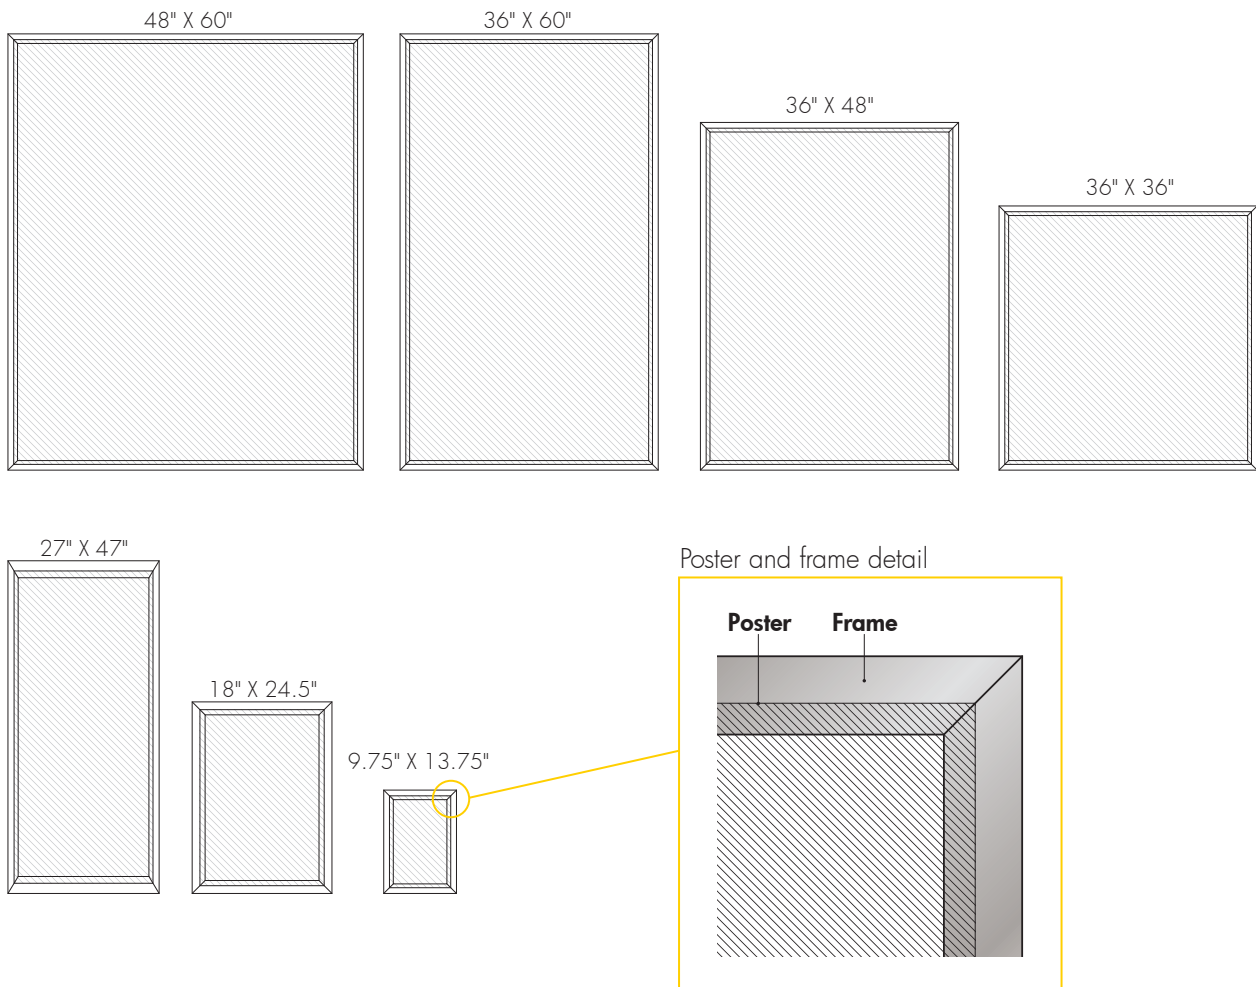

- 12V DC luminaire for 120 to 240V complete with 120-240V remote power supply

5 year warranty

HOW TO ORDER

LP Housing	Panel type	Voltage	Frame size	Finish	Option
1	2	3	4	5	6

1 | _____

Housing :

LP - Lumenedge™

5 | _____

Finish :

AL - Aluminum

2 | _____

Panel Type :

MMS - Snap frame single side

SMD - Snap frame double side

6 | _____

Option :

P - Pendant

3 | _____

Voltage :

120 - 120 volts

240 - 240 volts

4 | _____

Frame Size (specify exterior dimensions):

48x60 - 48" X 60" (1219mm x 1524mm)

36x60 -36" X 60" (914mm x 1524mm)

36x48 -36" X 48" (914mm x 1219mm)

36x36 -36" X 36" (914mm x 914mm)

27x47 -27" X 47" (686mm x 1194mm)

18x24.5 -18" X 24 1/2" (457mm x 622mm)

9.75x13.75 - 9 3/4" X 13 3/4" (248mm x 349mm)

CC - Custom size (please specify exterior dimenisons)
